

November Update 2021

THIS IS LONDON

***November 28th we will be
ordaining Paul Waller!!***

It has been such a joy to know Paul Waller and his lovely wife Emma. Can I just gush about them for a second? They are amazing!! They have three adorable boys: Robin, Isaac and Luke. And if I could sum Paul and Emma up as it relates to the mission, I would say simply, "They get it". You run across all types in this work, but there are relatively few that you encounter who genuinely comprehend and embrace the mission for which we were created. Paul and Emma are most certainly among the few. That is why it is with such great pleasure that I have the honour of laying hands upon Paul Waller on November 28th to ordain him as Pastor at Crossroads Baptist Church.

Paul is a wonderful father and husband and excels in all the character qualities of a pastor. He has also turned out to be a fantastic preacher. He has a real love for the Word of God and he understands that his mission is to make disciples. More than all of this he has a living relationship with God the Father and his Son Jesus Christ. You can sense his personal accountability to Him in all he does. One of the things I love most about Paul is his kind and generous spirit. Pau's powerful confidence in Christ, which surfaces in an unyielding meekness is the very reason why I don't have to worry about this guy. That is the stuff men of God are made of. Mindy I both feel that Paul and Emma embody the very reason God called us to London. All praise for this couple goes to Him.

One of the great confirmations of the call of God on Paul's life is his wife Emma. She is both strong and sweet and her walk with the Lord is evident to all who know her. She has an eagerness to minister: always willing to jump in and work. On top of that she is a talented artist; and I am excited to see how God will use her talents for his glory. Most importantly she is an outstanding mum and wife. She doesn't just have kids, she trains them while still finding time to be an indispensable partner to Paul.

Paul and Emma are both soul winners and disciple makers who are diligent in their study of the Word. The only thing these two need at the moment is for Mindy and I to get out of their way.

We have just begun a brand new series entitled, '**The Right Side of His Story**'. This is a study in the book of Revelation. The first lesson is already available to watch. We hope you enjoy it and share it with others.

The entire church is excited about Paul's ordination and this new chapter we are preparing to enter. At the same time we are seeing the body grow in their love for the Word of God. Our Tuesday night bible study has been met with a real hunger on the part of our people as learn how to study the bible for themselves. This hunger has also moved many to invite others to come along to our Sunday service so they can enjoy the teaching. There are many reasons a person might attend a church. It is so rewarding when you can clearly see that people

are coming because of the bible. That is the spirit that fills our church at the moment and it makes going to church a genuine pleasure.

Our kids are growing up too fast. We can't keep up. Madison and Hudson are full grown adults now. What?! Katelyn and Stefan are not far behind. We are so thankful for them. Our work here has been a

constant mine field. Through all of it God has extended us grace through our children. I am not sure we could manage this work without them. I have already disciplined Madison and now it is Hudson's turn. We have already started praying in the Word together in the mornings before school. And soon we will start in on our discipleship lessons. Pray for Him as he is 16 now and this a crucial juncture in his life. Please pray for all our kids.
