Dear Dr. RG Smith

Much greetings both from the Church and my family, Hoping the grace of Lord Jesus is upon your life and also we thank God for what He is doing through your prayers in the Church.

December 2021 one soul accepted our Lord Jesus Christ. One member made a decision of providing the Pastor with drinking water every Sunday during the service. The church had one visitor. Total members were 18. We had no baptism on the very month. Tithe collected was 270 Ksh only. We disciplined one member. This month, we used 16 hrs and passing out 200 Gospel tracts and 120 Gospel of John and Romans Booklets. Members attended the Church service was 28.

For the church to prosper, surely we need your prayers for the above things.

Your Faithful Pastor: Philip Okwara.
