

Dear Pastor Corey & Church in Christ:

July 2021

We want to thank you for the part you had in the children summer program, for the this year 2021 ! And, we appreciate standing by us in this special outreach activity of the year !

Surely, we had a blessed VBS and we had so many kids who came for this activity ! They were very happy and they enjoyed the program a lot ! The children learned many different things in this program and they were very excited !

What we did with them & they were taught :

The different Bible stories

1. They memorized some verses
2. They learned Christian songs
3. They were very excited for doing different crafts
4. They colored the stories of each day with the verse
5. They enjoyed the different games
6. And, so they enjoyed a lot the snacks, which we gave them each day!
7. They returned back home singing and happily carrying the crafts of each day!
8. They were real glad and full of joy, as they started to sing the songs which they have learned to their moms! Full with excitement, they **explained to their parents:**
 1. what they did
 2. What they have learned
 3. And how happy they were during the day with the beautiful program.

What a challenge it is and what an encouragement for us to hear all of this lovely report of this good news!!

But, the best part is : When, the kids trusted the Lord in their hearts during the Bible class stories and they were happy to ask questions from the Bible about the Lord !

They learned how to pray and we had some comments from their parents, who told us that :

Their children started to pray before eating their meals

1. And, before going to bed to sleep they would pray
2. And, how some of them, they learned to pray for protection as the vans come to pick them up for the VBS
3. And, they learned to pray for God's protection, for healing from the COVID Virus and from other sickness! For, they have never done this before !
4. Then, for protection from danger in the street and other things

They were taught to do so during the Bible stories outreach program-- **!! Amen !** This is our victory to see His Word being spread all around, as we do His will ! And, Glory to God for that!

In Christ,

Pastor Naim & Elvira Khoury, First Baptist Church
